

Talk With An Expert.

With Rethink Benefits, you get:

- **FREE teleconsultations** throughout the year to talk with a Board Certified Behavior Analyst (BCBA) who can help you and your care team **support your child who has a learning, social, or behavioral challenge, or a developmental disability.** You'll learn to:
 - Communicate more effectively with your child
 - Teach your child crucial skills in socialization, language, self-help, academics, and employment
 - Decrease problem behaviors and improve the home environment
 - Collaborate more effectively with school and other caregivers
- **Convenient appointments.** Login today to set up a caregiver teleconsultation that fits your schedule — 24/7.
- **100% confidential, no age restrictions, no diagnosis or preparation needed.**

"A completely invaluable benefit for us to have access to a qualified behavioral specialist focused on our child's needs and target goals...."
