For Wearing a Seatbelt & Protection by an Airbag – You will receive an additional 10% benefit but not more than \$25,000 if the covered person dies in a covered automobile accident and law enforcement-certified to be wearing a seatbelt or approved child restraint. For Exposure & Disappearance – Benefits are payable if you or an insured family member suffer a covered loss due to unavoidable exposure to the elements as a result of a Covered Accident. For Furthering Education and Spouse Training

The education benefit provides training or education as follows:

For your children – If you die in a covered accident, we will pay an extra benefit for each insured child under age 26 who enrolls in a school of higher learning within one year of your death. We will increase your benefit by 6% or \$6,000, whichever is less, for each qualifying child, each year for 4 consecutive years as long as your child continues his/her education.

Additional Features – continued

For your spouse – If you die in a covered accident and your insured spouse enrolls in an accredited school to gain skills needed for employment within one year of your death, we will pay 6% of the actual cost of this education or training program for not more than 5 years after enrollment begins, up to a maximum of \$6,000.

If you have no spouse or child who qualifies within one year of your death, we will pay an additional \$2,000 to your beneficiary.

For Child Care Expenses – If you die as a result of a covered accident, we will pay a benefit for a surviving child under 13 who is enrolled in a licensed child care center at the time of the accident or within 90 days afterwards. This benefit is 6% of your benefit amount per year, but not more than \$6,000 per year for 4 years or until the child turns 13, whichever occurs first, for each covered child.

Conversion – If group accident coverage ends (except due to nonpayment of premium), your employment is terminated, membership in an eligible class is terminated, or insurance coverage is reduced based on attained age, you can convert to an individual non-term policy. To convert, you must apply for the conversion policy and pay the first premium payment within 31 days after your group coverage ends. Dependents may convert their coverage as well if applicable. Premiums may change at this time, and terms of coverage will be subject to change. You can also convert to an individual policy of up to \$10,000 if you have been insured for at least 5 years and the policy is terminated or amended, provided coverage is not replaced and you are not covered under a different conversion policy issued by Life Insurance Company of North America. Refer to your certificate for details.

Your Monthly Cost of Coverage:

Employee Only Cost Per \$1,000 = \$0.022

Employee and Family Cost Per \$1,000 = \$0.034

Actual per pay period premiums may differ slightly due to rounding. Benefits will reduce on age (see Benefits Reduction Schedule for details).

Rates may be subject to change in the future.

How to Calculate Your Monthly Cost of Coverage:

Step 1: Find the above Monthly rate.

Step 2: Multiply this rate by your desired coverage amount, in units. Reference the information above to find the appropriate unit amounts for employee and/or dependents.

Step 3: The result is the Monthly cost.

Important Definitions and Policy Provisions:

Your coverage will not begin unless you are actively at work on the effective date. Dependent coverage, if applicable, will not begin for any dependent who on the effective date is hospital or home confined; receiving chemotherapy or radiation treatment; or disabled and under the care of a physician.

(Under certain circumstances, your coverage may be continued if you stop working. Be sure to read the Continuation of Insurance provisions in your Certificate.)
